

Product information:

The CAB402 is a cable that combines power and balanced audio signals in just one wire to maximize the convenience of powered speakers. The cable is provided with a schuko power male & XLR female connector on one side and a Euro power connector & XLR male connector on the other side. The inner power cable contains 3 conductors with a section of 2.5 mm²

Please look for your local regulation to know which type of connector is allowed in your territory.
