CLP342

Adapter - HDMI male - DVI female - flexible

Product information:

The CLP342 is an HDMI 19 male to DVI female straight adapter. This adapter can transform the connection of a DVI cable to HDMI for monitors, projectors or tv's where only a HDMI input is available. The adapter has a flexible body to release strain on the input connection or connected cables. The firm molding over the connector ensures an isolation from the ground and gives a solid feel.
