PROMO6D-BCT50U

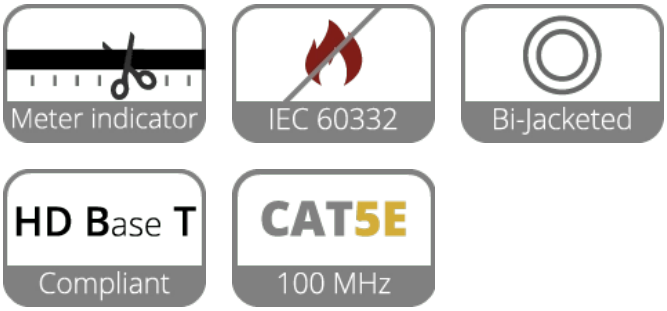

Sample pack BCT50U

Product information:

1 meter sample pack of the BCT50U. The BCT50U is a CAT5E networking cable featuring a Highflex™ outer jacket which is specifically designed for professional use in highly demanding applications.The conductor section of the BCT50U consists of 4 twisted pairs with stranded copper 24 AWG conductors. The combination with hard and solid inner jacket materials and soft outer jacket materials provides great flexibility with a solid touch. Even after numerous times of winding and unwinding. Supports 10Base-T, 100Base-TX and 1000Base-T gigabit networks.

Properties:

Inner Conductors:
