VC215

Adapter - RCA/Cinch male - RCA/Cinch female - 90° angled - pair

Product information:

The VC215 is an 90° angled male to female RCA/Cinch adapter for connecting a cable to a device that is placed in a small environment or to reduce the strain on the cable when it is built in to a wall or laid in a cable gutter. The durable metal housing offers an overall RF protection and electromagnetic shielding.
