VCK526

Keystone CAT6 jack IDC termination 180°

Product information:

The VCK526 is a Keystone data adapter with a shielded, female RJ45 connector on the front side of the module and a toolless cable connection. The toolless, push-down contacts on the back are suitable for both stranded and solid inner conductors. This compact standardized snap-in module can easily be implemented in 45x45mm connection plates, CAYMON CASY modules or D-size holes. The VCK526 has 2 variants: the VCK526/U is the unshielded variant and the VCK526/S is the shielded variant.

*Not compatible with VDK10 and CAYMON CASY106 & CASY107.

Product Features:

Application	AV & IT
	Rental & MI
